for promoting sustainable technologies, materials, products, and high-performance sustainable buildings. This is accomplished by collecting and reporting agency data on sustainable acquisition, including types of products purchased, the purchase costs, and the exceptions used for other than sustainable acquisition; and

(4) A means of measuring and assessing the effect of other policy and management initiatives (*e.g.*, performance based acquisitions and competition).

(b) FPDS does not provide reports for certain acquisition information used in the award of a contract action (*e.g.*, subcontracting data, funding data, or accounting data).

(c) The FPDS Web site, <https://www.fpds.gov>, provides instructions for submitting data. It also provides—

(1) A complete list of departments, agencies, and other entities that submit data to the FPDS;

(2) Technical and end-user guidance;

(3) A computer-based tutorial; and

(4) Information concerning reports not generated in FPDS.

4.603 Policy.

(a) In accordance with the Federal Funding Accountability and Transparency Act of 2006 (Pub. L. 109-282), all unclassified Federal award data must be publicly accessible.

(b) Executive agencies shall use FPDS to maintain publicly available information about all unclassified contract actions exceeding the micro-purchase threshold, and any modifications to those actions that change previously reported contract action report data, regardless of dollar value.

(c) Agencies awarding assisted acquisitions or direct acquisitions must report these actions and identify the Program/Funding Agency and Office Codes from the applicable agency codes maintained by each agency at FPDS. These codes represent the agency and office that has provided the predominant amount of funding for the contract action. For assisted acquisitions, the requesting agency will receive socioeconomic credit for meeting agency small business goals, where applicable.

Requesting agencies shall provide the appropriate agency/bureau component code as part of the written interagency agreement between the requesting and servicing agencies (see 17.502-1(b)(1)).

(d) Agencies awarding contract actions with a mix of appropriated and non-appropriated funding shall only report the full appropriated portion of the contract action in FPDS.

4.604 Responsibilities.

(a) The Senior Procurement Executive in coordination with the head of the contracting activity is responsible for developing and monitoring a process to ensure timely and accurate reporting of contractual actions to FPDS.

(b)(1) The responsibility for the completion and accuracy of the individual contract action report (CAR) resides with the contracting officer who awarded the contract action. CARs in a draft or error status in FPDS are not considered complete.

(2) The CAR must be confirmed for accuracy by the contracting officer prior to release of the contract award. The CAR must then be completed in FPDS within three business days after contract award.

(3) For any action awarded in accordance with 6.302-2 or pursuant to any of the authorities listed at FAR subpart 18.2, the CAR must be completed in FPDS within 30 days after contract award.

(4) When the contracting office receives written notification that a contractor has changed its size status in accordance with the clause at 52.219-28, Post-Award Small Business Program Rerepresentation, the contracting officer shall update the size status in FPDS within 30 days after receipt of contractor's notification of rerepresentation.

(5) If after award of a contract, the contracting officer receives written notification of SBA's final decision on a protest concerning a size determination, the contracting officer shall update FPDS to reflect the final decision.

(c) The chief acquisition officer of each agency required to report its contract actions must submit to the General Services Administration (GSA), in
